Walter I. Scott Sells Dairy to Herbert Horton

Will Stay as Plant Manager
Horton Experienced in
Dairy Business

Scott's Dairy has been sold by its founder Walter I. Scott to Herbert W. Horton, of Chicago, who took possession June 1. The sale price was not revealed.

Scott will remain as plant manager while Horton will devote his attention to sales and distribution.

The new owner until recently had charge of the wholesale department of the Bowman Dairy Co., at Englewood, a position he took after receiving his discharge from the U. S. Marine corps last November.

Previous to his war service Horton was vice-president of the Cream Crest Farm dairy at Skokie. He entered military service in March 1943 and as platoon sergeant spent more than two years in the Pacific area, serving on the aircraft carrier Saratoga and participating in the battle of Iwo Jima.

He plans to move his wife and two children to Antioch as soon as a residence can be found.

Scott, the retiring owner, has seen the business develop from a single delivery wagon to its present modern equipment serving an area bounded by Richmond and Twin Lakes, North Salem, Silver Lake, Millburn and Lake Villa.

The plant on Dwight court has a homogenizer and all of the necessary equipment to prepare milk for extensive distribution both in bottles and cartons. Ten trucks are operated.

The number of employees ranges from 12 in winter to 18 in summer.

Scott's dairy was started January 21, 1925 when Mr. Scott quit his job as driver of "Old Jim" the horse drawing the wagon owned by Wallace E. Drum, to start his own business. The business has grown until now it serves the northern part of Lake county.

High School Teachers Will Spend Vacations in Travel, School, Rest

With the close of school this week members of the Antioch Township High school faculty will engage upon their summer activities varying from summer school attendance to travel and in a few cases just resting.

Principal T. R. Birkhead, Assistant Elmo W. Edwards, Miss Adele Miller, and Melvin Stillson, Antioch residents, will take advantage of the opportunities that their own vacation land affords and will be at home during the summer.

Miss Ethel Dixon, home economics teacher will spend the summer at her home in Gurnee and Mrs. Shirley Dixon, teacher of physical education, will go to her home at Loon Lake.

Going to their homes at more distant places are Miss May Hartley, mathematics teacher, who resides at Aledo, Ill., and Maurice Kruzan, coach, who lives at Avon, Ill.

Will Teach Veterans

C. L. Kutil, agricultural teacher, will give instruction during a part of the summer to veterans and may attend the University of Illinois summer conferences.

Miss Jean Krueger, teacher of English will attend summer school, a plan that William Breese, commercial teacher also will follow.

Hans Von Hoewede, music teacher, plans to spend his vacation at Lake Louise and Glacier Park in the Canadian Rockies, visiting relatives there a few weeks.

Samuel Wenet, teacher of social studies, plans to leave late in June for New York state where he will travel and visit friends.

Miss Leitha Paulson, teacher of English and Latin, will return to her home at Chicago Heights, Ill.

Miss Claire Weber, librarian, and teacher of English has plans somewhat different than the others. She will become Mrs. Frank P. Dohneys on June 16 in services at 3 p. m., at the University Place Christian church in Champaign, Ill.

BARBARA YATES CELEBRATES BIRTHDAY

Barbara Yates was guest of honor at a party given by her mother, Mrs. Fred Yates, to help celebrate her fifth birthday anniversary, Thursday afternoon. Barbara received lovely gifts including two big birthday cakes.

Harry Quilty Brought Home From Hospital

Harry Quilty, son of Mr. and Mrs. Thomas Quilty, of Lake Catherine, was seriously injured in an accident May 12, was able to come home from the Victory Memorial hospital Sunday. The Antioch Rescue squad brought him home. His condition is much improved, Quilty's legs and one of his arms are in casts.

New Patrolman to Be Added to Police Force to Give Night Service

Police of Antioch will receive higher pay and a new patrolman will be added under an agreement reached by the village board Tuesday evening.

An increase of \$20 a month will be offered to Fred Peterson, chief, and William Thielman, patrolman, the former to receive \$175 and the latter who serves during busy periods to receive \$180.

A job as patrolman will be offered to a former member of the force at a wage of \$170 a month. He probably will be placed on the day shift and Peterson on a night shift.

The addition of one new member is necessitated to provide protection at night. Recent requests for night police service have been made to the board and these were emphasized again by a letter from members of the Lions club asking that the board fulfill its earlier promise.

The board found that through increased revenues from automobile, theatre and tavern licenses since April 31, they now will have money to pay for the hiring of the extra man, an expense they could not heretofore meet.

Adoption of Zoning Ordinance Delayed Through Protests

Plan Returned to Commis- sion With Suggestions to Have Rehearing

Delay in the adoption of the proposed new zoning ordinance by the village board occurred Tuesday evening when a few property owners protested the zoning on a region between Main St. and the Soo Line tracks near North Ave., for light industry.

As the result of the protest, the board referred the matter back to the zoning commission with a proposal that the property owners in that area be called together soon to discuss possible changes.

The area under protest comprises the lots from 1 to 18 and 30 to 45 in Blocks addition, or the region north of the Charles Richards and Fred Hawkins properties between the railroad and Main St., to North Ave.

Under the present plan, property adjacent to the tracks is zoned for light industry but that next to Main St. is not. Those protesting believe the whole area should be made residential.

The date for the meeting has not yet been chosen but plans are being made to have a meeting of the commission and of the board of Trustees on the same night so that the board can consider its appropriate ordinance.

Second Taxicab Service To Be Started in Antioch

Roy Griffin, a former taxicab operator at Fox Lake has asked permission of the village board to operate a cab in Antioch. He agreed to pay a wheel tax and to establish his stand at any space that the board would assign him.

Griffin's request revealed that the village does not have an ordinance on taxicabs and the board is considering adopting one that will provide for the license, and limit if necessary the number of cabs.

Leonard Kohl Gives Dinner to Co-workers

Leonard Kohl, a former employee of Pickard, Inc., was host at a dinner given recently at Wilson's Corners for his co-workers. His guests presented him a gift as a remembrance because of his leaving the company after 20 years of service. He is taking a position in Chicago.

Those present are E. S. Challinor, William Steinle, the Pearl Hollister, Freida Wertz, Veleda Edleman, Betty Jane Hanke, Marge West, Clara Wilson, Charlene Jorgenson, Joyce Wertz, Mildred Effinger, Mary Rosenbach, Henrietta Courtney, Agnes Anderson, Frances Radtke and Herman Quoss.

Commencement Friday Night to Graduate 27

Dr. Neil Garvey to Speak; Baccalaureate Service Held Sunday

Twenty-seven seniors with the inspiring words of the baccalaureate speaker, the Rev. A. D. McKay, of St. Ignatius church still leaving their impressions, will be graduated tomorrow evening from Antioch Township High school.

The Thirty-first annual commencement will be at the high school gymnasium, the program starting at 8:15 and there will be no reserved seating.

The high school band will play both the processional and recessional. The Rev. Warren C. Henslee of the Methodist church will give the invocation.

The selections, "Lohengrin" by Wagner, and "Marche Slave" by Tschaikowsky, will be played by the band and this will be followed by two numbers by the high school chorus, "Battle Hymn of the Republic," by Wilhousky, and "Hymn to Music," by Buck.

Dr. Garvey is Speaker

Dr. Neil Garvey, assistant Director of the University of Illinois Extension division will deliver the commencement address, speaking on "Training Riders for a Billion Horses." He will be introduced by T. R. Birkhead, principal, who will also present the class for reception of diplomas.

Twenty K. Hills, president of the school board, will present the diplomas. The National Anthem will bring the program to a close, and the class will recess to the auditorium to receive congratulations.

Twenty-Seven In Class

The graduates are: Jack Bim Merle, Phyllis Carlene Chope, Joan Lee Feltler, Harland Willard French, Geraldyn M. Gresens, Dolores A. Gross, Margaret Harvey, Gertrude Marie Hawkins, Robert Louis Holen, John Donald Irving.

The class officers are Franklin Olson, president; Georgia Reidel, vice-president; Dorothy Scott, secretary; and Margaret Harvey, treasurer.

Joan Feltler is the class valentine and Ralph Trierer is salutatorian.

Chain O'Lakes Boat Racing Season Starts at Nippersink Lake

The Chain O'Lakes Boat club will conduct its first race of the season at the Bill and Daisy O'Donnell resort on Nippersink lake, Fox Lake, Ill., Sunday, June 16, at 2:30 o'clock.

There will be at least seven events, four of which will be for inboard motorboats and three for outboard motors.

A breath-taking race is predicted in the inboard events, some 60-mile an hour speed being expected from the Viking, Risky, Rum-runner, Hex, Peggy G, Miss Ann and the Anna M.

Dim-Out Restrictions Lifted; all Electric Service Resumed

The last of the dim-out restrictions, those banning sign and decorative lighting, were lifted May 29, by the Illinois Commerce Commission following announcement that the coal strike had been settled.

Britton I. Budd, president of the Public Service Company of Northern Illinois, said that customers could now resume their normal uses of electricity.

"The public may now feel free again to make full use of electric service for all residential, commercial and industrial purposes," he said. "The period of these restrictions has been a trying one, and we want the public to know that we appreciate its understanding and co-operation."

I wish to thank all my friends, and relatives for the many acts of kindness and the beautiful cards and letters received during my two recent stays in the hospital.

Board Seeks State Aid to Make Victoria St. an Arterial Highway

Also Want Portion of Main St Widened and Lake St. Traffic Regulated

Plans to make Victoria street an arterial thoroughfare subject to improvement and care through state funds were made by the village board Tuesday evening.

R. L. Murrie, clerk, was instructed to write to the Illinois Highway commission asking aid in making the street arterial and improving it for heavy traffic.

Originally paved through regular assessment for a residential area, the street is but 24 feet wide and is of a construction that will not handle the heavy traffic that encroaching business now furnishes.

Plans are to widen the street from Lake to Quality St. through an addition of three feet on both sides and build a 6-inch curbing.

Would Widen Main Street

Murrie was also instructed to ask the state for aid in widening Main street from Lake street south to Ida Ave. It is believed that the 30-foot wide street can be widened five feet or more and that by doing so congestion of traffic will be relieved.

Instruction were also given to Murrie to ask the state to establish parking rules and regulations near the Catholic church where there have been traffic snarls at the time of services. By establishing a system of parking and travel in that area the trustees believe that the street need not be patrolled.

Meat Prospects Growing Scarcer

Residents of Lake County were tightening their belts this week as they joined government forecasters in an old familiar tune—"There is Going to be Less Meat."

Reason for the harmony is the recent hike in grain price ceilings, which everybody admits is causing a downward swing in hog production.

The Agriculture Department said that its pig crop goals for next fall and spring "may be cut sharply," warning of a meat scarcity to run into the winter of 1947.

Packer spokesmen say all reports from the country show hog reduction will far exceed the 10 per cent cut asked in the government birth control order for the fall pig crop.

"The meat shortage isn't something in the future," commented Herman M. Conway, research director of the National Livestock Producers Association.

"It's here now. Each week will see less and less meat. The black market in corn anticipated higher ceilings and farmers began months ago to liquidate their livestock."

He predicted the shortage will extend to corn fed beef and mutton because "it has become unprofitable for farmers to produce meat in the face of increased feed, labor and overhead costs."

Kingery to Speak Monday Night on Village Planning

Mass Meeting at A. T. H. S. Sponsored by Antioch Lions Club

Plans for Antioch's future along lines of parks, playgrounds, water supply, fire protection and sewage disposal as well as developments in business, manufacturing and housing will be discussed by Robert Kingery, general manager of the Chicago Regional Planning association at the high school auditorium 8 p. m. Monday.

The meeting will be public and there will be no charge for admission and no requests for donations, according to F. J. (Bud) Arnold, chairman of the Lions club committee under whose auspices Kingery is speaking.

Drawing upon his experience in planning villages and drawing up zoning regulations, Kingery will picture to Antioch citizens the probable needs of the community in years to come.

"We think he is one of the best qualified men in the United States to discuss village planning," said Arnold in voicing the opinion of the Lions club.

Because of Antioch's plan for rezoning Kingery's talk is expected to be timely and to amplify other discussions.

A large crowd is expected.

Impressive Rites Pay Tribute to Departed Veterans

Frederick H. Fahringer is Memorial Day Speaker Here

Preceded by a colorful parade of patriotic and civic organizations, an impressive Memorial Day program was held in the Antioch Village park, Thursday afternoon at 2 o'clock under the auspices of Antioch's two veterans' organizations, American Legion Post No. 748 and Sequoit Post Veterans of Foreign Wars No. 4551.

Frederick H. Fahringer, chaplain at Veterans' hospital, Hines, Illinois, the principal speaker, paid tribute to the men who have served this country in all past conflicts.

He was introduced by Everett Hatfield, past senior commander of Antioch post. The service opened with the singing of "America" by the assembly, accompanied by the Antioch Township high school band. F. A. Swenson, commander of the Antioch Legion post, led the "Pledge of Allegiance to the Flag."

Invocation was offered by the Rev. A. D. McKay, rector of St. Ignatius Episcopal church.

Everett Hatfield gave a brief introductory talk. Remarks by Willard Schneider, commander of Sequoit post V. F. W. of Antioch, were followed by a selection by the high school band, directed by Hans von Holwede.

Roll call of departed comrades of the community was read by J. H. Message, chaplain Antioch post, and a wreath was placed on a symbolic unknown Soldier's grave by the American Legion Auxiliary.

Prayer in memory of departed comrades of the community was offered by J. H. Message.

An appropriate selection by the Sons of the Legion Drum and Bugle corps was followed by the address by Frederick H. Fahringer, after which a thirty-second period of silence in tribute to the dead was observed.

The Low Down From Hickory Grove

If you choose to read Freud or the wispy words of the psychologist, you will maybe conclude that discipline for a sapling is a terrible thing and will stunt and upset for life, a young person. But anybody who has brought up one off-shoot or a flock of same, or has worked with youngsters like in the Boy Scouts or the Girl Scouts, they know what happens when you let down the bars—and have no discipline.

Proceed, says, Henry, if you think you have anything important to expound. It is how, I says, they been using the Freud system on labor leaders—and look at the mess. The folks we been electing to high places—and even lower places—they been coddling the bossy boys in Labor who have been leading the worker around like as if he had a ring in his nose. And now—on every side—the union top squawks are makin' faces at Uncle Sambo and giving him the horse-laugh and tellin' him to go on home—and cross no picket lines. And the folks in Govt. are now is unimportant and ineffective in getting anything done as is a Freud mama telling her 17-year-old to get home before 4 a. m.

LAKE VILLA

Children's Day will be observed at the Community Church next Sunday and the children of the Sunday school will present a program at the time usually given over to the worship service at 11 a. m.

Mrs. Dunbar entertained the Women of the Woman's Society of Christian Service at her home in Petite Lake Highlands on Wednesday afternoon of this week. The society, assisted by the Haleyon club, has recently redecorated the parsonage and plan further improvement later. The W. S. C. Training Certificates**

Veterans planning to return to school to take on-the-job training are urged to apply now for their certificates of eligibility.

Administrator Homer G. Bradney of the Illinois Veterans Commission, suggests those veterans who wish to enroll in schools and colleges file now for eligibility and avoid the last-minute rush that will develop later.

IVC Service Office Arthur F. Reutlinger, at American Legion Home, Waukegan, Ill., will fill out the application. The veteran should secure a certified copy of his discharge, which must be submitted with the application blank.

Tenth District Woman's Clubs Met Wednesday

The Federation of Woman's Clubs
of the Tenth District held its first reg-
ular board meeting at the Rogers
Park Woman's Club, Wednesday, June
5, 1946, at 10:30 a. m. This important
meeting was called to discuss plans
and programs for the coming year
and to set up the new calendar. In-
coming presidents of the clubs of the
District were presented by their pre-
decessors, and the new chairmen of
departments and committees were
ratified.

Mrs. W. J. Bargen, of Waukegan,
the new president of the district pre-
sided. Mrs. Bargen is serving her
second year as president of the
Friends of American Writers and as
second vice-president of the Mid-
western Writers Conference as well
as being president of the district. Her
Club experiences have included such
positions as president of the Delphian
Society, and president of the Waukegan
Woman's Club. She has served as
treasurer of the Good fellowship
Settlement of Waukegan and North
Chicago for 14 years, as major in
several Community and War Chest
Drives, as chairman of the Red Cross
Drive in 1943 and as major in War
Bond Drives. In the Tenth District,
Mrs. Bargen has been first vice-pres-
ident and recording secretary and
chairman of the literature and Ameri-
can Home departments.

Anti-Inflation Shopping Lists Now Available

Anti-Inflation Shopping Lists are the newest Housewife's aid, available through Price Control Board No. 614-113, 326 North Genesee St., Waukegan, Illinois. It was announced recently by L. W. Cumz, board chairman.

"As a further weapon against black markets and runaway inflation, these lists help homemakers check on the prices of all the food items they buy," said Gunz.

He explained that the shopping list has spaces for a shopper to write down the ceiling price of each item purchased, the price actually charged and the name and address of the store.

"These completed lists are useful to us in the Price Control Board, helping us to determine if any items are being sold at over-ceiling," said the chairman.

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Township of Antioch, Lake County, Illinois, that a public hearing will be held on June 24, 1946, at 2:30 o'clock P. M., C. D. S. T., in the Village Hall, Antioch, Illinois, on a proposal to vary the terms of the County Zoning Ordinance, or to reclassify by amendment, from the R-4 Residential District, to B-2 Business District, the following described real estate, to-wit:

That part of the North East quarter of Section 33, Twp. 46 N., R. 9, East of the Third Principal Meridian, described as follows: Commencing at the South East corner of said North East quarter of Section 33, thence running North 100 feet; thence running West 175 feet; thence South 100 feet to the South line of said North East quarter; thence East 175 feet to the place of beginning.

As a result of the petition of Benjamin H. Watts and Harold Watts, which is on file and available for examination in the Office of the Lake County Zoning Board of Appeals, Court House, Waukegan, Illinois.

All persons interested may attend and be heard.

"We call attention of the retailer to overcharges, and if there is an indication of wilfulness and he overcharges appear to be flagrant, the price panel takes action for the protection of the purchasers."

"The board's responsibility is to gain price ceiling compliance in all retail stores, in line with the laws of the land. Overcharges are a dangerous inflationary pressure."

Sales receipts are helpful when shoppers make reports to the board about overcharges, he said.

He also called attention to regulations against tie-in sales, saying that shoppers are not required to buy something they do not want in order to get something they do want. All such tie-in demands are reportable to the board.

Starchy Cereals
Cereal grains consist principally of starch, which is used to produce energy and to form fat in the body.

(Continued from page 1)
"We are afraid there will be a far greater cut in pork production than the 10 per cent asked by the government," said a Swift and Co. spokesman.

William S. Clitheroe, vice-president of Armour and Co., said the immediate outlook is for a substantial cut

in hog production.
"But, he added, "If we raise a big corn and feed crop this year, it might change everything. Between 85 and 90 percent of the corn crop is marketed through livestock. I'm not too discouraged about the future."

Prospects of a bumper corn yield this year are strengthened by abundant soil moisture and reports that corn is being planted on thousands of acres intended for soybeans since the price ceiling on soys was left unchanged.

As we were saying . . .
By Jack and Louie

HOWDY FOLKS: One difference between a June bride and an old maid is the bride has had a wedding march while the old maid hasn't even had an overture.

The tragedy of a June bride's life, though, is when she realizes how few new dresses she can buy on what the poor dimwit can make.

Of course sometimes the marriage doesn't work because the bride has to.

As one of our customers says, men want women and women want diamonds and that keeps the men on the rocks.

Which, we suppose so often makes the state of matrimony entirely without capital.

You can save a lot of your capital by taking advantage of our saving service. We always strive to give you the best for the money.

You know that the quality never varies. It's the same good value every time.
